The Honorable Alexander H. Flax
Director
National Reconnaissance Office
The Pentagon
Washington, D. C.

Dear Al:

I am enclosing copies of a letter which Dick Helms has sent to Mr. Clifford suggesting the need for a final determination of the future of the OXCART program. As Carl Duckett had told me that you would be here this morning, I am taking advantage of your visit to transmit a copy for the Deputy Secretary of Defense and also a copy for you.

Sincerely,

/s/ John A. Bross
